We are glad to say that, at this time Calcutt Boats will remain open in a very limited way, only in order to continue to provide some of the essential wharf services required by our customers.

Although our Web shop will remain open. We appreciate that this may affect you directly, as it will be doing in other areas of your day-to-day life at this time and we will do our best to reduce this impact.

To assist you in caring for your boat we will be checking the berths weekly, a visual once over if you like, to ensure that your mooring is secure.
